Swami Rama Himalayan University
Bachelor of Technology in Computer Science (CGPA: 7.5)

Jolly Grant, Dehradun
Aug 2022 – Present

SBM Public School
Senior Secondary (CGPA: 8.32)

Rishikesh
May 2022

SBM Public School
High School (CGPA: 7.6)

Rishikesh
May 2020

PROJECTS

Personal Portfolio Website | React, JavaScript, TailwindCSS, Vite

- Developed a personal portfolio website to showcase skills, education, and projects using React.
- Implemented responsive design with Tailwind CSS for smooth viewing on all devices.
- Utilized modern development tools including Vite, Git, and component-based architecture.
- Deployed on Vercel with GitHub integration for automatic updates on every push.

E-commerce Website | React, JavaScript, TailwindCSS, React Router, Vite

- Developed a responsive e-commerce website frontend with modern UI/UX design.
- Built features like product categories, search bar, and shopping cart for smooth user interaction.
- Implemented page routing and navigation using React Router.
- Deployed the website on Vercel for easy access on all devices.

Netflix Clone | React, JavaScript, Firebase, TMDB API, Firestore, React Router, Vite

- Developed a full-featured Netflix clone with movie and TV show data fetched from TMDB API.
- Implemented Firebase Authentication and Firestore for secure user login, signup and data storage.
- Added search functionality, dynamic routing, and protected routes using React Router.
- Built responsive UI with modern Netflix-like design and deployed the app on Vercel.

TECHNICAL SKILLS

Languages: HTML, CSS, JavaScript

Frameworks & Tools: React.js, TailwindCSS, Vite

Developer Tools: Git, GitHub, VS Code

Other: Vercel, Netlify

CERTIFICATIONS

React & JavaScript Certification
